## A Few Words from Jason

Exciting things are happening! First, we are very happy to share the news that 2 more denominational preachers attending our weekly online class to India have confessed that they have been in error and that they were not baptized the way the Bible says! We welcome them into the family of God as they leave man-made religious groups. They are hoping their families and others will also obey soon. Also one known as a brother in Christ realized that his baptism was not Scriptural, so we praise God for the good news that all can be saved who are willing to follow the Truth of the Gospel of Christ. Glory to God and special thanks to brother Vandan Kumar for his critical role in all of this. Pictures are on subsequent pages.

Second, I am currently talking with a sound brother in Pakistan about starting an online class in Pakistan like the one we do in India. He will translate into their language, which is different from the Indian Telugu language, and prayers are requested that God will open more doors of opportunity like this to spread His glorious Gospel into these parts of the world that are often very difficult to reach in person. It is also FREE! There are no mission trip expenses costing thousands of dollars for plane tickets, hotels, food, etc., so the technology we have today is really wonderful. Traveling in person is certainly better in some ways, but there are pros and cons to both methods. In either case, the Word is being spread, and that is our main mission.

Following are also some pictures from Cameroon, Africa

## STEPS OF SALVATION: FROM SINNER TO SAVED

"...ye were the servants of sin..."  
 (Romans 6:17).

What must I do to be saved?!

"...but ye have obeyed from the heart that form of doctrine which was delivered you. Being then made free from sin, ye became the servants of righteousness" (Rom. 6:17b-18).

of Eti Paul Zephaniah. The Mossy Head and Baker congregations helped him get a car (a Toyota) for \$1000 which will now enable him to do much more evangelism into surrounding regions. It's a long story, but the money sent also helped another sound brother get a much needed surgery. They were very happy and thankful, and we hope and pray Eti will be able to use the car to spread the Gospel even further into surrounding areas.
